CLASSIC BUNGALOW CHARM AND CHARACTER! Desirable Corner Lot!

This home is in a very desirable neighborhood in Burns. It was built in 1929 and has retained the charm of the classic Bungalow construction of the day.

The large corner lot feels much larger than just a 1/4 acre because the home is positioned well, and you can tell the use of space was thought out carefully. The lawn is easy to maintain and there are several large and beautiful shade trees. The exterior is cement stucco, and there is an updated metal roof. The front porch and perfectly framed 9 Lite Marginal entry door capture the at first sight.

Inside, numerous large windows allow for lots of light with a purposeful view that makes the connection with surrounding environment. The living room, dining area and bedrooms retain the original hard wood floors. The bedrooms are large and spacious, and the bathroom has a newly tiled tub/shower.

There is a newer Kuma Wood Stove insert and a forced air oil furnace for heat. The county reports an additional 532 sqft of space in the basement. The basement is partially finished, allowing for lots of extra storage.

This won't be on the market long, so call Kirby today for a private showing at 541-417-1974 cell.
