3 Bed/2 Bath With Appliances in Burns!!

Here we have a sweet little 1986 Fleetwood Manufactured Home. It has a metal roof that is still in very good condition and T-111 siding. The house sits on concrete runners and concrete block perimeter foundation. There is a tool shed with a lean to for wood and a fenced back yard.

There is a wood stove and a forced air, oil furnace. The seller is including all of the appliances with the sale, consisting of a large LG fridge, a microwave, range, dishwasher, and a stacked washer/dryer combo. It was remodeled inside with custom wood trim and wainscoting. There is a deck at both the front and the back door. The rooms are nice sized and the layout is open.

This one is easy to show!

Call Kirby Letham to go and see it today, 541-417-1974.
